

Product Change Notification

PCN Publish Date: July 26, 2011

PCN #: PCN072611

Change Title: Part number change.

Products Affected: See Appendix A

Description of the Change:

In an effort to make our product line more compatible with regulatory and environmental guidelines, we are changing the volume manufacturing process for our products to make them RoHS compliant according to Aavid Thermalloy specification RoHS 9000. (Available at <http://www.aavidthermalloy.com/RoHS.shtml>).

This product is already compliant. Product that is RoHS compliant is identified with a "G" suffix at the end of the part number as shown above in product affected. This change is to update our internal system with the "G" identifier.

Volume Production:

Volume production is available now.

New orders should be placed for the "G" suffix product. Please adjust your current order so that they can be filled accordingly depending upon stock and availability.

Customer Impact:

This is a part number change only. Please update your internal documentation to reflect the "G" suffix and amend all outstanding purchase orders with Aavid-Thermalloy to reflect the new part number.

Contact Information:

For question please contact Aavid Thermalloy Technical Support at info@aavid.com or your local sales office.

Please respond with any issues within 30 days of this notification. Lack of acknowledgment of the change constitutes acceptance of the change.

Appendix A

Current Part Number	RoHS Compliant Part Number	Internal part #
4003	4003G	034010
